CAUSE NO. 42553

You are hereby notified that on this date, the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On December 1, 2003, Illinois Telephone Corp. d/b/a/ Indiana Telecommunications Co. ("Petitioner") filed a *Request for Confidential Treatment of Financial Information* ("Motion") in this Cause, supported by the verification of Charles Burtell, Petitioner's President. Petitioner's Motion states that the financial documents requested to be exempt from disclosure are not available to the public, and are maintained in a secure location and kept confidential. Petitioner further argued that release of the documents would work a competitive disadvantage on Petitioner, as the documents would reveal Petitioner's financial strategies and future business plans to competitors, making them exempt from disclosure under I.C. 5-14-3-4(a).

The Presiding Officer, having reviewed the information contained in the Petitioner's Motion, finds that there is a sufficient basis for a preliminary finding that confidential procedures are appropriate and should be followed concerning the Confidential Information to be submitted in this Cause. Accordingly, the Petitioner shall *hand deliver to the Presiding Administrative Law Judge*, a single sealed copy of Confidential Information that includes the Cause No. and is marked as CONFIDENTIAL, and such information shall be treated as confidential on a preliminary basis in accordance with IC § 5-14-3-4.

IT IS SO ORDERED.

Lorraine Hitz-Bradley, Administrative Law Judge
